

D.—DEPARTMENT OF THE INTERIOR

For next year, the amount requested for this Department is ₱637,056 which is ₱95,930 less than that authorized for 1936. This decrease is due to the following causes: reduction by ₱60,000 of the aid of the National Government now given to the City of Baguio; transfer to the Supreme Court of the appropriation of ₱36,000 for the rental of the Ayuntamiento Building; reduction by ₱480 of the appropriation for pensions authorized under Acts 2756 and 2922; and the elimination of the appropriation of ₱2,000 for "traveling expenses of persons not government employees." On the other hand, there have been included in the appropriation for this Department two items of expenditure involving an increase of ₱2,550: the first is the restoration of the former salary of the chief, records division, Office of the Secretary, from ₱3,400 to ₱4,250, or an increase of ₱850, and the second is the insertion of an item covering the unpaid additional salary of the same official for the years 1935 and 1936.

Para el próximo año, la cantidad pedida para este Departamento es ₱637,056, que es ₱95,930 menos que la autorizada para 1936. Esta disminución se debe a las siguientes causas: reducción de ₱60,000 en la ayuda que el Gobierno Nacional da a la Ciudad de Baguio; transferencia a la Corte Suprema de la consignación de ₱36,000 para el alquiler del Ayuntamiento; reducción de ₱480 de la consignación para las pensiones autorizadas por las Leyes Nos. 2756 y 2922; y la eliminación de la consignación de ₱2,000 para "gastos de viaje de individuos no empleados del gobierno." Por otra parte, se han incluido en las consignaciones para este Departamento dos partidas de gastos que envuelven un aumento total de ₱2,550: la primera es la restauración del sueldo anterior del jefe de archivos de la Oficina del Secretario de ₱3,400 a ₱4,250, o un aumento de ₱850; y la segunda es la inserción de una partida que cubre el sueldo adicional no pagado al mismo oficial para los años de 1935 y 1936.
