

THE UNIVERSITY OF SAN CARLOS

" . . . a commitment not only to impart knowledge, but also to nourish and foster an academic community permeated with a Christian sense of human values; a commitment to knowledge and truth healthily balanced by virtue and character; knowledge because an institution of learning, virtue because Catholic and Christian. So it was in the past, so it shall be in the future."

**Very Rev. Amante Castillo, S.V.D.
USC's First Filipino President**

SEPTEMBER-OCTOBER 1970
