

This is a beautiful two-part song appropriate for Thanksgiving Day, although it can be sung at any time of the year. The melody (lower notes) should be sung louder than the upper notes.

BE THANKFUL!

| 3. Be thankful for peace and for safety,
That ev'rywhere blesses our land;
No war curses our beauteous islands,
Where justice and liberty stand. | 4. Be thankful for bounteous harvests
That come from the land and the sea;
We've shelter and food in abundance—
God grant that it thus e'er shall be. |
