B—aguio Colleges welcomes you . . . new lads and lassies,  
A—rdent with hopes and wishes . . . that  
G—od bless you all for at last you've answered Her call.  
U—ntil the end pray stay  
I—n her open heart, your home . . . tomorrow . . . today  
O—n this day you come from yonder.

C—all her nothing but mother . . . for  
O—h you know that she will teach you. Guide you.  
L—ong before you came, she anticipated your coming—  
L—ooking beyond . . . as if for a lost child.  
E—nter her open, out-stretched arms . . . feeling  
G—ood and great . . . and why not, for at last you came  
E—ver to stay and hold aloft her beam.  
S—o again . . . Welcome, you . . . new lads and lassies.
