

WITH THE MARSMAN MEN

Two newcomers to the Philippines and the Marsman Staff are Edwin J. Carlson and L. E. Caldwell. Mr. Carlson is now at Suyoc as a mine shifter. His home is in Astoria, Oregon, and he is a graduate of Oregon State College. Six years of mine experience were gained by Mr. Carlson at the Braden

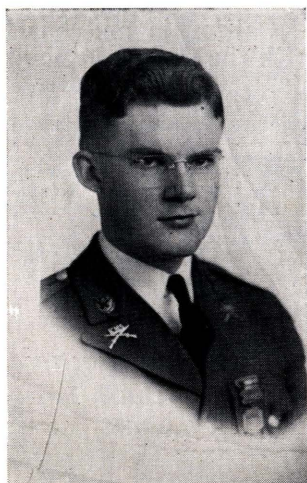

Copper Mines in Rancagua, Chile. In addition, he has spent considerable time with the Hecla Mines in Northern Idaho and Western United States.

Mr. Caldwell is at United Paracale as a mill shifter. His home is Ohio. Mr. Caldwell did a year of graduate work

BARR BOYS MAKE GOOD RECORDS IN U. S.

William L. Barr, graduate of Kemper Military School, who has now begun training in the United States with Goodman Mfg. Co., in Chicago. He is later to train with Cleveland Tractor Co., Cleveland; the Cameron Pump Division of Ingersoll-Rand Co., New York; and Eimco Corp., Salt Lake City, preparatory to his return to the Philippines to join Marsman Trading Corporation.

Donald Patrick Barr, member of the Kemper Military School varsity rifle team which won the National Intercollegiate Championship, R.O.T.C. championship and the Indoor Randolph Hearst Trophy for basic military schools—three of the big student rifle championships.

Both boys are the sons of Mr. & Mrs. Harry L. Barr. (Mr. Barr has been general superintendent of San Mauricio since development was started in 1933.)
