Los industriales metalúrgicos del País Vasco se han agrupado para efectuar la Operación Comercial denominada G-M I., que está alcanzando gran éxito en diversos países de América. Se trata de una fórmula de exportación de unos 650 productos de fabricación española, desde herramientas de trabajo (martillos, alicates, sierras) hasta cajas de seguridad, cerrjos, maquinas de coser, cuchilleria, utensilios de cocina, armas, bicicletas, metalisteria de todas clases. Se facilitará Catálogo a quien lo desee en la Cámara Oficial Española de Comercio.
