Radiocast Says Japs Accept Terms

SAN FRANCISCO, Aug. 13. (UP) Domei, the official Japanese news agency, reported tonight that Japan had accepted the Allied surrender demand and that an imperial message of acceptance would soon be forthcoming.

The Domei report, broadcast by Radio Tokyo at about 11 p.m. (about 3 p.m., Manila time, Tuesday) did not give details of the forthcoming message, merely stating that "an imperial message accepting the Potsdam proclamation is

The question which had delayed the Japanese reply—the demand of the Allies that the emperor be under the authority of the Allied supreme commander as soon as Japan surrenders—was not referred to in the Domei report. The report was rebroadcast at least once by Radio Tokyo.

during yesterday's hearing in connection with the probe when terday, Monday," Domei said, "the Japanese governamong the documents presented ment started deliberations upon its terms, which created a very serious problem for the Japanese people. The cabinet had been in continuous session until late Monday night. It is understood the Japanese government's reply probably will be available any time as soon as the legal procedure is completed."

Broadcast Follows Raid

Observers noted that the Domei broadcast reporting acceptance of the Potsdam proclamation came in the wake of another heavy Superfortress attack on Honshu. (In Guam, headquarters of Gen. Carl A. Spaatz, commander of the U.S. Strategic Air Forces in the Pacific, the assault was described as the first phase of a new 10-week campaign to reduce Japanese
