Market Reports

Prices mixed

End-session selling in New York in Comex cop-per futures all but erased per futures all but erased earlier gains of more than 1 cent as prices closed mixed, little changed on the day. Near September and

October posted 0,05-cent losses at 89.60 and 90,40 losses at 89.60 and 90.40 cents respectively, while more distant months gained 0.15 to 0.20 cent. Copper wirebars in London ended the day up Stg5.5 for both cash and three-months. The afternoon market found distance received and continuous control of the contro

afternoon market found further covering support induced by the tone of US futures with three-months trading at Stg874 in the rings before softening under profit-taking on the kerb to Stg870.

World water futures in

on the kerb to Stg870.
World sugar futures in
New York closed 0.35 to
0.20-cent up in new-crop
months after deflecting
what initially was perceived as a bearish EEC
sale of sugar.

what ministry was perward of the property of

trading dealers said.
Coconut oil dealers
said overnight trades included afloat and Aug/
Sep at 27-1/2 cents a lb,
Nov/Dec at 27-3/4 cents
a lb, Dec/Jan at 27-7/8
cents a lb and Jan/Feb at
28 cents a lb all basic St
New York. Oct/Nev and Nov/Dec were offered at 28-1/4 cents a lb, they added.

The rubber market in

The rubber market in Singapore closed slightly higher with September 1 RSS buyers quoted at 305 cents per kilo, up one cent from yester-day's close, dealers said. — Reuter
