

*Es la de la asociación de los alumnos de Farmacia de la Universidad de Sto. Tomás.*

*La nueva fecha fijada para su celebración es la del cinco de octubre.*

*Se llevará a cabo en los amplios salones del edificio del Colegio Médico-Farmacéutico.*

#### Celebrando su cumpleaños.

*El lunes el Sr. D. Joaquín Mencarini, joven y digno director de la agencia local de la "International Correspondence School" celebró una gratísima reunión en su residencia con motivo de su cumpleaños.*

*Le ayudó a brindar unas horas agradables a sus parientes y amigos que fueron a felicitarle, su bella esposa Da. Angustias Vaca.*

*Tan agradable fiesta familiar, durante la cual se improvisaron divertidos juegos, terminó a las ocho de la noche.*

*Al festejado vayan nuestros deseos por que goce de larga y venturosa existencia.*

#### Segundo éxito.

*Como predijimos, la segunda representación de "La Canción del Olvido" ha sido un segundo éxito.*

*Y si se representa por tercera vez será otro nuevo éxito.*

*El Opera House estuvo el domingo materialmente lleno.*

*La concurrencia, como era de suponer, la integró en su mayoría todo lo granado de nuestra sociedad.*

*Aplausos entusiastas merecieron todos cuantos tomaron parte en la interpretación de la obra y en la ejecución de los diversos números del programa.*

*Y no pudo menos de ser así, porque la interpretación fué, si cabe, mejor que la del día del estreno.*

*Repetimos nuestros plácemes a los artistas aficionados, y al organizador de la función el Profesor Cuerva.*

#### Un jira amena.

*Se celebró el domingo.*

*Los excursionistas escogieron el apacible pueblo de Pansol, de la provincia de La Laguna, como el lugar de la jira.*

*Iniciadora y organizadora de la fiesta fué la distinguida Srta. Conchita Salinas con la cooperación valiosa del joven D. Alfredo P. de Tagle.*

*Partieron de Manila los excursionistas a las seis de la mañana, llegando al punto de destino a las nueve.*

*Entre conversaciones y bailes pasaron el tiempo los concurrentes hasta la hora de comer.*

*Los manjares servidos fueron todos o casi todos de arte culinario filipino, siendo los principales el lechón con su indispensable pesa de gallina.*

*Después de la comida se tuvieron números de canto y música de los que se encargaron varios aficionados que figu-*

*raban entre los concurrentes.*

*Hubo también danzas clásicas y juegos malabares, aun cuando entre los excursionistas no había ningún malabar.*

*Pero a todo esto aun no hemos hecho constar que la casa donde se tuvo tan amena fiesta fué la del distinguido Sr. D. Ramón Ramos, cuyas amables hijas se desvivieron por agasajar a todos los excursionistas.*

*La fiesta terminó a las seis de la tarde, hora en que los excursionistas emprendieron el viaje de vuelta a Manila.*

*Omitimos los nombres de las bellas y simpáticas señoritas y de los distinguidos jóvenes que participaron en la jira en gracia a la brevedad.*

#### Una boda en Antipolo.

*Anánciase para el día 11 del mes de Octubre.*

*Y ante la veneranda imagen milagrosa de la Virgen de Antipolo.*

*La novia es la hija del conocido político D. Juan Sumulong, llamada familiarmente Metring.*

*El novio es el Sr. D. José Cojuangco natural de Paniqui, Tarlac.*

*Se preparan fiestas originales para celebrar el acontecimiento, fiestas que comenzarán en Antipolo, continuarán en Manila y terminarán en el pueblo del novio.*

*Anticipadamente deseamos mil venturas a los futuros esposos.*

## NEWS OF THE WEEK

MUSKOGEE, OKLAHOMA, Sept. 18.—The American flyers landed here at 5:22 o'clock this afternoon a flight through the midwest from Fort Crook, Nebraska. The airmen left Fort Crook at 10:41 o'clock this morning, lunched at St. Joseph, Missouri, landing there at 12:29 o'clock and left again at 1:26 o'clock this afternoon.

WISCACETT, MAINE, September 19.—Information which will be of great help to navigators the world over was obtained by the MacMillan expedition into the far north, McMillan stated today on his arrival here.

CONSTANTINOPLE, September 19.—Of the 49 villages on the banks of the river Aras in Armenia, 37 have been destroyed by recent earthquakes.

The shocks continue in the district and also at Kars where large fissures have appeared in the ground.

MADRID, September 19.—Spanish has begun an important military operation against the rebellious Morocco tribesmen, it was officially announced here today.

ANN ARBOR, MICHIGAN, September 19.—John M. Schaeberle, astronomer, discoverer of three comets, and in charge of eclipse expeditions of Lick observatory to Chile and Japan, died here today at the age of 61 years. He has born in Germany but moved to the United States at an early age.

GENEVA, September 19.—Members of the disarmament subcommittee of

the League of Nations today stated that the international conference for reduction of armaments will be summoned to meet by June 15, 1925.

The council of the league postponed decision on approval of the treaty of Mesopotamia and Great Britain, virtually entering a military alliance.

Under the treaty Great Britain agrees to recognize Mesopotamia's independence within four years.

EL PASO, September 20.—The American flyers arrived here at 6:15 o'clock tonight from a one stop flight across the plains of Texas. A great crowd was assembled to meet the men who are rapidly nearing their goal of a flight around the world.

The flyers landed at Sweet-water, Texas, at 12:25 o'clock this afternoon to refuel their planes. They left Dallas

where they spent the night after flying from Muskogee, Ohio, at 9:40 o'clock this morning, heading due west into a strong headwind.

LONDON, September 20.—A Daily Mail dispatch from Berlin reports that Grand Duke Cyril, has signed a proclamation, declaring himself emperor of all Russians and that he will devote his life to liberating Russia from the communists yoke.

SYOSSET, NEW YORK, September 21.—The Prince of Wales today left by train for Quebec, enroute to Calgary where he will spend his vacation on his ranch. He has been attending the international polo games at Westbury.

GENEVA, September 21.—The disarmament commission of the assembly of the league of nations will probably be divided into three groups—naval problems, land armament and control of traffic and manufacture of arms. The United States will attend the arms control although it has been invited to attend all three discussions.

The assembly of the league of nations reconvened yesterday after a week's suspension. China started a move to regain her place in the concern over the continued production of opium in China.

WASHINGTON, September 21.—Harry M. Daugherty former attorney general, issued a statement today, containing a signed statement by Gaston Means regarding the testimony at the senate committee investigation in the Teapot Dome case. Means' statement was incorporated in a letter from Daugherty to John W. Davis, Democratic presidential candidate taking Davis to task for statements alleged to have been made in campaign speeches.

SAN DIEGO, CALIFORNIA, September 22.—The American army round the world flyers arrived at San Diego at 10:34 o'clock this morning, leaving Tucson, Arizona, at 7:28 o'clock. The flyers will hop to Santa Monica tomorrow.

MANILA, September 22.—The submarine squadron of the American Asiatic Fleet will soon be back in Manila Bay, the first division possibly arriving tomorrow.

The squadron has been in China waters during the summer, centering around Chefoo.

The return of the submarines will mark the beginning of the return of the Asiatic Fleet to Manila.

MANILA, September 23.—Manila will soon have a tourist guide service of its own, distinct from the similar service of the bureau of commerce and industry. Mayor Romualdez has under

consideration a plan to organize a society to take charge of the municipal tourist guide service. This society will be composed of Manila newspapermen, social women workers, business men and property owners. The society will offer to guide visitors in the city and show them the historical and interesting places of the city.

MANILA, September 23.—The Philippine national night radio program in Washington was listened to by "25,000,000 radio fans", most of whom were so well pleased that repetition of the program has been requested, according to a cable received by the independence commission yesterday.

The program included Philippine music, songs and typical native dances. Vallejo, the boy virtuoso, now taking advanced studies in violin in New York made a hit which was especially applauded, it is stated. Senate President Quezon spoke on the petition of Filipinos for independence urging early settlement.

MANILA, September 23.—Governor General Wood has just ruled that the city of Manila should pay for water service rendered by the metropolitan water district. This ruling settles a long controversy over the payment of the city's water bill amounting to approximately one-half million pesos.

The chief executive in his ruling declares that the water district is not a municipal property or a municipal corporation and that the city as an entity independent from the district is under obligation to pay for whatever service it receives.

MANILA, September 23.—The La Salle football aggregation trounced the Chinese Star team Sunday afternoon in a fast football game played on the former's ground, score 1-0. The Chinese fought desperately and put up some admirable defense work but up their efforts proved fruitless. Montinola, star forward of the La Salle squad was responsible for the winning goal scored during the last minute of the game. Ugarte, Valdes, Ching and Ledesma of the same crew did creditable work in their respective places.

LONDON.—The British navy will have almost as many cruisers as the combined fleets of the United States and Japan when the five cruisers on which bids have been asked have been built. Answering questions in the House of Commons recently the parliamentary secretary of the admiralty said the number of cruisers and light cruisers in the world's great navies was at present as follows: British Empire, 48; United States, 29; Japan, 28; France, 16.

**TODO ES UNO Y LO MISMO**

Todo lo que cabe ambicionar en los bienes terrenos, es verse a cubierto de la miseria.

Es uno de los medios más seguros y que cabe emplearlo por el más necesitado, el ahorro.

Y lo mismo—salva la suma—puede ahorrar el pobre que el rico.

**PROCEDIMIENTO**

Sucrirse por el numero de acciones que cada uno pueda, segun sus fuerzas. Las hay desde -P-1.00 hasta -P-200.00.
