*Knights of Rizal to Hold Installation of New Members, Elevation to Higher Degrees of Old Members September 11, 1970*

The Order of the Knights of Rizal, Naga City Chapter in this City, will hold a regular meeting on September 11, 1970 and installation of new members and elevation to higher degrees of some of the old members. KRs from different chapters of the Bicol region are invited to attend the affair which will be held at the residence of Chapter Commander ex-Judge Perfecto R. Palacio (CFI, retired) at Pacol, Naga City.

It is hoped that all members of the chapter will be present and those invited from other chapters because on this day in the afternoon is also

scheduled the traditional "Translacion" of the image of the Virgin of Peñafrancia, the Patroness of the Bicolanos, from the Peñafrancia Shrine to the Metropolitan Cathedral, marking the beginning of the 9-day festivities of Peñafrancia annual religious fiesta, the biggest in Bicolandia.

The picture above shows the taking-oath of office by the new officers of the Naga City Chapter recently held at the VIP Canteen of the PNB, here. Those in the picture are from left to right: Domingo A. Escalante, P.R.O.; ex-Chapter Commander Dr. Melchor Villanueva, trustee;

Ireneo Reyes, Jr., pursuant; ex-Judge Perfecto R. Palacio, Chapter Commander; Dr. Joaquin I. Perez, Deputy Chapter commander; Dr. Protagio G. Tolentino, ex-chapter commander, trustee; ex-Judge Jose Surtida, ex-chapter commander, trustee; Nare Lalwani, auditor; Dr. E. Palaroan, archivist; Isidro Atienza, (partly hidden), exchequer. The person with back toward the camera is Dr. Manuel I. Abella, ex-regional commander, officiating the oath-taking of the chapter officers. Not in the picture is Atty. Juan Magdaraog, chancellor who was absent during the occasion.

## Senator Kalaw

1. Decentralization in education which simply means the direct participation and involvement of the citizen in the formulation of plans and policies for the education of our children through the creation of local school boards;

2. The search for quality education to break away at the barnacles of a colonial or transplanted system and to fashion out a curriculum that is responsive and relevant to the national economic goals and needs;

3. The development of an indigenous school system adopted to the social conditions and needs of the nation;

4. The introduction of new approaches to education financing since government effort at this is still grossly inadequate; and

5. The need to establish an Asian position for Philippine education that it may be able to meet its international commitments and for other humanitarian objectives.

Education changes the individual, Kalaw said, "only where the teacher has taken upon himself the role of an agent of changes."
