

## Why You Should Read PANORAMA

PANORAMA publishes a variety of reading matter, dealing on education, politics, economics, science, literature, biography, humor, travel, and other subjects of interest, gleaned from the world's leading magazines, books, and newspapers and condensed for quick and easy reading. The originals are by the greatest writers of Europe, America, and Asia. The materials selected are those that are most likely to be of interest to Filipinos.

PANORAMA is the very thing for those who have no time to read, and are therefore missing some of the best things in life. One to three minutes will complete the reading of the average article.

PANORAMA is read by businessmen, professionals, public officials, teachers, students, clerks, etc.

PANORAMA costs only *one peso* a year. Every issue is of permanent value. You will read it and reread it, and then keep it as a valuable part of your library for your whole family.
