

## VERSES FOR CHILDREN

*By Lulu de la Paz***To a Spider**

I know not what kind of thread,  
You spin the yarn for your house web.  
Is it of velvet, wool, or silk  
Or moonbeams frail and delicate?

**To a Yellow Butterfly**

How did you get those wings so gay,  
Where rainbow colors dance and play?  
Did some fairy on a fair day—  
Give you that wonderful array?
