
You Might Want To Read

PANORAMA

Because it is

Cultural and interesting;
Unique among Philippine publications;
Stimulating and informative;
Compact - never tiring nor tiresome.

You will read

and reread it in your spare moments,
and then keep it as a permanent part
of your library.

A peso will bring PANORAMA to you for a year.

IF YOU

have something important to say in print, the best way to say it is by good printing—otherwise, it can only appear quite unimportant to your readers. The true ambassador must dress the part.
