People say there can never be financial security without world peace.

Well the fact is, there will never be world peace without financial security.

No wars between nations, and no riots within nations, were ever started by happy, prosperous people.

People, and nations, turn to violence and wars when they don't have any other way to achieve a decent standard of living.

Is it naive to think it's possible to help develop more happy prosperous nations?

We don't think so.

We believe the answer to world peace lies in giving people an opportunity to gain material well-being, to achieve a greater sense of personal dignity.

The Divan and Tour Group arrived from Taipei at 3:55 PM, October 17, 1968 and were met at the Manila International Airport by Philippine shriners. They were quartered at the Manila Sheraton. The evening of their arrival, they were feted at a Hospitality Night Reception at the Elks Club in Makati.

Friday morning, October 18, 1968, they were treated to a sight-seeing trip while the official divan paid their respects to MW Schon, Grand Master, at the Grand Lodge offices. At noon, Grand Master Schon tendered a luncheon at the Army & Navy Club for the divan. Cocktails were served for the divan in the evening.

Shrine ceremonials filled Saturday, October 19. The morning session was held at the Scottish Rite Temple and the afternoon session was held at Plaridel Temple. The Potentate's ball for the new shriners was held at the Manila Hilton at eight in the evening. It was a happy and hilarious affair, well-attended and glittered. While the divan worked on the candidates, taking their lunch at the Scottish Rite Temple, the ladies of the visiting shriners were luncheon guests of the ladies of Philippine shriners at the Elks Club.

Sunday, October 20, the shriners had a business meeting at the Sheraton in the morning and later took a tour of Corregidor for the rest of the day. The Washington shriners departed for Singapore at 2:45 PM, Monday, October 21.

Philippine shriners are organized into oases in different parts of the country. They have oases at Clark Field, Pampanga, Manila, Olongapo, Cavite, Dumaguete and Saigon. △
