¹ Average number of persons in a family = 4.9 members.

² Revised in accordance with the new survey on the "Levels of Living in Manila" by Department of Labor and the Bureau of the Census and Statistics conducted in December, 1946.

An IMPORTANT PERSON In Your Life

Here is the important young lady upon whose finger tips depend much of your daily life's routines —your telephone operator.

She helps your words of romance, friendship, business, speed on their way to any point around the world.

Her qualities are part of her tradition. There still is a scarcity of telephone materials, but there never has been a scarcity of the operator's devotion to duty. The operator, with her patience, industry and courtesy, is an important person in your life.
